

L.A. Unified Continuity of Learning Flyer

L.A. Unified teachers are the most essential part of learning for students, including English Learners, Standard English Learners, Gifted Learners, and Students with Disabilities. The following professional learning opportunities are built to support educators to gather insight around remote teaching and learning and what that might look like in an online environment.

Where:

Please register via [MyPLN](#), keyword: Continuity of Learning.

What:

Please see session topics below

When:

Friday
March 27

PD Day

Monday - Thursday
March 30 - April 2

Select one 2 hour session per day
Multiple Choices Available

Available Professional Learning Opportunity Sessions

Grade Level	Session Names	Description
K-5	Continuity of Learning: Edgenuity Pathblazer 1.0 New Users	Participants will: <ul style="list-style-type: none"> Build an understanding of Pathblazer's essential features for synchronous and asynchronous instruction. Learn how to broadcast a Pathblazer lesson via Zoom for synchronous instruction, which will provide the initial tools needed to begin using Pathblazer with students.
K-5	Continuity of Learning: Edgenuity Pathblazer 2.0 Experienced Users	Participants will: <ul style="list-style-type: none"> Increase their understanding of Pathblazer's essential features for synchronous and asynchronous instruction. Learn how to broadcast a Pathblazer lesson via Zoom for synchronous instruction, which will provide the initial tools needed to begin using Pathblazer with students.
K-5	Continuity of Learning: Edgenuity Pathblazer 3.0 Advanced Users	Participants will: <ul style="list-style-type: none"> Optimize their understanding of Pathblazer's essential features for synchronous and asynchronous instruction. Create digital learning environments for students to promote self-agency.
6-12	Continuity of Learning: Edgenuity Courseware 1.0 New Users	Participants will: <ul style="list-style-type: none"> Build an understanding of Edgenuity essential features for synchronous and asynchronous instruction. Learn how to broadcast a Courseware lesson via Zoom for synchronous instruction, which will provide the initial tools needed to begin using Courseware with students.
6-12	Continuity of Learning: Edgenuity Courseware 2.0 Experienced Users	Participants will: <ul style="list-style-type: none"> Increase their understanding of Courseware's essentials features for synchronous and asynchronous instruction. Learn how to broadcast a Courseware lesson via Zoom for synchronous instruction, which will provide the initial tools needed to begin using Courseware with students.
6-12	Continuity of Learning: Edgenuity Courseware 3.0 Advanced Users	Participants will: <ul style="list-style-type: none"> Learn how to progress monitor and utilize Edgenuity grade book tools. Learn promising practices on communication and engagement.
PreK-12	Continuity of Learning: Schoology 1.0	Participants will: <ul style="list-style-type: none"> Learn about available resources to incorporate into their remote instruction Become familiar with Schoology features that are useful for remote learning
PreK-12	Continuity of Learning: Schoology 2.0	Participants will: <ul style="list-style-type: none"> Learn about creating gradable items Become familiar with ways to monitor student access and engagement Learn promising practices for creating online materials
PreK-12	Continuity of Learning: Schoology 3.0	Participants will: <ul style="list-style-type: none"> Learn about blended learning models Become familiar basic design principles of creating online content Become familiar with Schoology features that are useful for creating online materials
